Dear Mr. Robinson:

Thank you very much for your reply to my letter asking about training facilities in Atlantic City for The Eagles. In the meantime I have been in touch with Richmond, Va., and as things have worked out, it is possible I will go to Richmond instead, as the weather is a little better there for conditioning of the ball club. I will let you know definitely in the next week.

Even if we do not train in Atlantic City, I do hope we will be able to arrange some ball games there during the season from which The American Legion Post can derive some benefit. Will there be any lights in the park that we could use for night baseball.

Again thanking you for your puntual reply.

Very truly yours,
